One (1) iPhone 11 Pro Max, IMEI: [REDACTED] 1839 was partially extracted. Also, completed a manual extraction of scrolling through and taking photographs. Ensured iPhone was in airplane mode, and verified passcode as [REDACTED]. Due to time constraint, discontinued extraction after one (1) hour at case agent's request, and restarted iPhone. Upon attempting to open the partial extraction the following error appeared; "The extraction file is corrupted and cannot be opened", therefore storage media was wiped.
